

The Metrotile Shingle is a textured finished tile that captures the subtle look and charm of low profile traditional tiles and slates.

Lightweight and silent the tiles and accessories, eliminating lifting from the wind and keeping out harsh elements. This allows roofs to have a pitch as low as 15°.

Extensive research and development in the design process ensures every Metrotile product is manufactured to the highest quality.

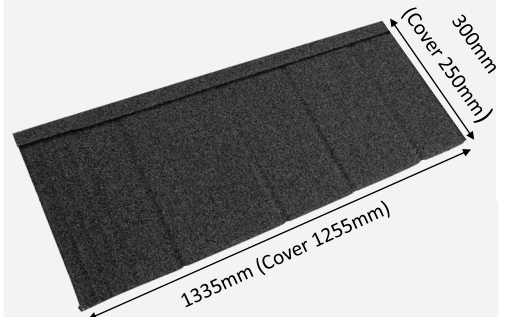

There is no cement or mortar requiring, leaving a Sharp/ neat appearance.

Metrotile Shingle will transform your conservatory into a conventional sunroom in a matter of days, and with extra reassurance of a **40 year guarantee** your roof will not only look stylish but will be modified to last the test of time.

**DIMENSIONS:**

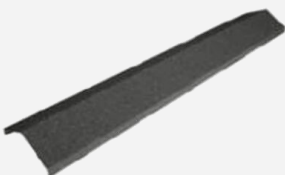

<b>PITCH:</b>	Minimum 15° Maximum 90°
