Unique and inspiring, Zest Wall Panels offer a wide variety of designs, colours and sizes for any room in your home or project.

Our panels are an exciting mix of marble, stone, tile, and wood effects with matt, satin and gloss finishes.

Depending on the panels you choose, we offer digitally printed and textured finishes to give an ultra-realistic look and touch, with designs that flow around the room.

Visually appealing, our contemporary and traditional ranges are 100% waterproof and could not be easier or quicker to install and maintain. The tongue and groove edges slot easily together and can be installed over existing surfaces, requiring very little preparation.

With over 30 years' experience in wall panels, Zest offers a comprehensive range of products using the best materials and technology.

KENSINGTON / DC01F48

375mm Wall Panels

The 375mm digitally printed range of panels offers contemporary tile, stone, marble and wood designs. Choose Oslo and Manhattan if you would like a realistic seamless pattern that flows around the room.

For a textured finish, why not choose Bombay or Rustic Wood or if you want more subtle softer effects why not pick from our dune or stone tile effects.

Our Subway tile has a 3D life like effect and the Fired Earth satin finish gives a bronzed rich depth of colour.
