zest. wall panels

Unique and inspiring, Zest Wall Panels offer a wide variety of designs, colours and sizes for any room in your home or project.

Our panels are an exciting mix of marble, stone, tile, and wood effects with matt, satin and gloss finishes.

Depending on the panels you choose, we offer digitally printed and textured finishes to give an ultra-realistic look and touch, with designs that flow around the room.

Visually appealing, our contemporary and traditional ranges are 100% waterproof and could not be easier or quicker to install and maintain. The tongue and groove edges slot easily together and can be installed over existing surfaces, requiring very little preparation.

With over 30 years' experience in wall panels, Zest offers a comprehensive range of products using the best materials and technology.
