Water Resistant

Natural Look and Feel

Quick and Easy Installation

Slip Resistant

Easy to Clean and Maintain

Eco-friendly Solution

Have more time to do what you love on a composite deck, A high-performance, eco-friendly wood alternative, that offers the warmth and appeal of natural hardwood without all the time and expense of regular maintenance.

Choose from a range of colours and finishes to suit your style and budget. Finishes can be “mix and matched” or reversed after a period of time.

Deck boards are quick and east to fix using the supplied grab clips– a simple 2 step operation.

Composite Decking is slip resistant splinter free and very low maintenance with no requirement for annual treatment or oiling to keep that “just installed” look.
